To Whom It May Concern,

I am writing this Letter of Recommendation oh behalf of T.H.E. Management, Inc. T.H.E. Management, Inc. has been our property manager for several years. During this time we have seen many positive developments occur within our condominium association. They take their role as property managers very seriously, and maintain a consistently professional business relationship with our association Board. They are willing to address our association's every need, from emergency building repairs to routine maintenance. They have helped the association for the better and always have the best interest of the association in mind.

They have done a great job performing as a property manager for our association. They have also gone above the call of duty to serve as a voice for our distressed condo association. We are very pleased with their services and would recommend T.H.E Management, Inc. to other clients.

Sincerely,
