To Whom It May Concern,

We at The Drexel Park Condominium Association hired T.H.E. Corporation just over a year ago for their consulting services to assist us in a developer turn over, training the board in running meetings, keeping minutes and supporting us in our efforts to effectively self manage our condominium.

Since then they have been an important resource in assisting us to collect our assessments from Unit Owners whose assessments are in arrearage. They also were very instrumental in monitoring documents concerning the units in our Condominium Complex that are filed at the Cook County Recorder of Deeds Office. T.H.E. Corporation noticed a discrepancy in documents filed pertaining to one of our units, notified us immediately and assisted us in an emergency meeting to deal with the problem. Since then we have worked with their attorneys to correct that problem and made sure correct documents are on file in both the County and State Court System.

We are thankful of the work that T.H.E. Corporation has done for us and would recommend their services.

Sincerely,

A handwritten signature in cursive script, appearing to read "Sharon Thomas".
