Re: THE Management Inc.

I am writing this letter as a reference for THE Management Inc. I have worked with their managing broker Mr. Samuel Lewis for about a year now and it has been a great experience. It is very rare that we find business associates that truly care about people and will go out of their way to help people. This is what I found in this management firm.

We are a poor, struggling Condo Association and THE Management Inc. has helped us tremendously. They worked extremely hard with Villa Therese Condo and we were able to turn our association around and start eliminating our unnecessary debts. I am very pleased with the service I have received from this management company and I look forward to continuing to work with them.

Very truly yours,

Belva Smith, President
